In a break from past years, the Death Day Association decided not to have a luncheon after this year's ceremony. This is due to the fact that the Sons of Union Veterans of the Civil War and the Military Order of the Loyal Legion of the United States are holding their Memorial Service at Lincoln's Tomb on the same day as the Death Day Association (DDA) and will follow up with a luncheon. After a brief consideration of not holding a ceremony this year, the DDA decided that due to contractual obligations we need to conduct a ceremony, but eliminate a luncheon in order to avoid confusion with the SUVCW/MOLLUS luncheon.

We hope this does not cause any problems or hard feelings with our loyal attendees. Things will be back to normal next year.
